EXPERIENCE

Work Truck Direct (Lead Development Specialist)

May 25th - Oct 9th 2018

Responsibilities

My job title at work truck direct was Lead Development Specialist and Data Entry. The tasks that I had included:

- Salesforce database work, where I would go through company leads and find contact information.
- My focus was to find emails for the company to add to the marketing teams emailing database.

While doing this job I was able to work at 3x the efficiency of their previous temps and interns. While providing helpful advice and information about the data that I collected.

Oregon Cat
