EXPERIENCE

Work Truck Direct (Lead Development Specialist)
May 25th - Oct 9th 2018

Responsibilities

My job title at work truck direct was Lead Development Specialist and Data Entry. The tasks that I had included:
- Salesforce database work, where I would go through company leads and find contact information.
- My focus was to find emails for the company to add to the marketing teams emailing database.

While doing this job I was able to work at 3x the efficiency of their previous temps and interns. While providing helpful advice an information about the data that I collected.

Oregon Cat
Aug 2013 - Jan 2014

Responsibilities

Oregon cat was a small cat shelter in the Lake Oswego, OR. My duties as Assistant/Volunteer were to complete any tasks that the owner had that day. These tasks included customer attendee, where I would answer questions or concerns that the customers had. Donation organizer, where I would take all the donations and divided them into groups to be used by the non-profit.
